

## Lining Technician

**Benefits Offered:** Dental, Medical, Vision, Drug

**Employment Type:** Full-Time

Strong local Plumbing Company with high standards and Ohana values and is seeking a full-time Lining Technician. Our tag line is "We Make Your Hale Pono" and our values are:

- Doing Right
- Improve Always
- Solution Oriented
- Communicate Effectively
- Safety

We are a growing company and there is opportunity for the right individual to build a career with fellow professionals. Must be able to work independently, hold a valid driver's license with a clean driving record, operate a company vehicle, safely perform tasks involving physical labor for epoxy lining of pipes and plumbing projects. You may also be required to operate a variety of hand and power tools, clean and prepare job sites, dig trenches, build epoxy liners, install and maintain plumbing fixtures, clean up rubble and debris, and remove waste materials. You must be self-motivated, responsible, and have good communication skills. We offer some flexibility with time and hours, for the right individual.

### Essential Job Functions

- Manual labor involving epoxy lining and plumbing construction projects
- Maintain a clean job site: pick up all tools and equipment and secure job site each day to eliminate potential hazards
- Safely handle and store materials, including epoxy and liners
- Assemble and install valves and fittings
- Assemble and install epoxy liners
- Safely load and unload van with material equipment and tools
- Ensure that proper safety and incident reporting procedures are followed and bring problems to the attention of the Lead Technician or Manager
- Keep lines of communication open with team members, management and clients/customers

### Required Skills:

- Some knowledge of safe use of equipment and materials and supplies used in plumbing and construction work
- Ability to work independently and complete daily activities according to production schedules
- Ability to lift heavy objects, walk and stand for long periods of time, and perform strenuous physical labor under adverse field conditions
- Ability to use equipment and tools properly and safely
- Ability to understand, follow and transmit written and oral instructions
- Ability to meet attendance schedule with dependability and consistency
- Must have completed OSHA 10 Hour course

### Requirements:

- We are a DRUG FREE workplace, must be able to pass pre-employment drug/background check
- No DUI's (Must have valid driver's license)
- High school diploma/GED or equivalent
- General construction/plumbing knowledge
- Able to lift up to 60 lbs
- Clean and presentable appearance
- Willing to work in a field/exterior environment
- Willing to work a flexible schedule: day work, night work, weekend work, and on call shifts

We offer a competitive benefits package: • High hourly rates of pay based on experience  
• Full Medical insurance • Tools • Company vehicle • 6 paid holidays off per year after probation of 3 months • 5 days paid vacation after 1 year.

Please [apply on our website](#) and attach your resume. We do not respond to phone inquiries, no drops in please.
